

Scheduling an FAA Airplane Practical Test

Note: This form must be completed and submitted to Jim Brannan (DPE) at least 48 hours prior to scheduling an FAA Practical Test. Please email to jim@jbaeronautics.com or text picture to 559-970-8147. The fee for a Private, Commercial, Instrument and Additional Multiengine Rating tests are \$700.00—retests are \$350.00. A Flight Instructor Initial test is \$1000.00—retests are \$500.00. Please phone or write for a test fee quote for a retest or continuance of a previous test. **All test fees are payable in cash.**

[Note: For applicants traveling to Fresno from out of district, it is recommended that you fly down the evening before and rent a hotel room by the airport (Wyndham Garden, Picadilly or Chateau) to prevent the possibility of departure or enroute weather from causing a delay or cancellation of appointment. To help preclude errors in your application or endorsements Jim will review your IACRA application and endorsements in advance of your appointment if requested.]
